Woburn Conservation Can Use Your Help

Please Join Us

Conservation Day is a great time for families and residents to come down to Horn Pond and help keep this wonderful wildlife, recreation area, and watershed clean, beautiful and an important part of Woburn

Volunteers can check in at the Cove Street area at 9am. There will be many tasks that people of all ages can assist with, so please consider spending a few hours helping out at Horn Pond Conservation Day on May 6th from 9-12

The Woburn Loins Club will be serving lunch from 11-1pm for all conservation day volunteers

Conservation Day is a great time for the family to be together and volunteer

Learn More about the Mystic River Watershed

The Mystic River Watershed will be on hand to educate residents on the new Horn Pond Fish Ladder and Shaker Glen Environment Park projects from 10-12

EVERSOURCE 345KV Project
